4350.3 Handbook: Travel Version with CD Order Form

Our Travel Version of the revised 4350.3 HUD Handbook will make your life easier - you can fit it on your desk, pick it up in one hand, and easily tote it (with all your notes) from site to site! The Handbook has been condensed to approximately half the thickness and weight of the standard version. All original text, including chapter and section references, is intact; the book has just been re-formatted. Don't worry - the font isn't too small to read easily... it's been slightly reduced, along with the margins.

Size reduced by almost half

Includes binder and tabs

Everybody will want one!

**Purchase a copy of this must-have reference guide
for everyone on your staff!**

All of our services are performed by AHM/COS certified staff, which includes leading industry trainers, all of whom have thorough knowledge of HUD, TRACS, EIV, occupancy issues, the 4350.3 Handbook and Contract Administrators.

NOTE: We perform our services, using our extensive industry knowledge, contacts and experience acquired over the more than 21 years we have served the Affordable Housing Industry. The services detailed in our contract do not in any way imply or guarantee that your Contract Administrator and/or HUD will not have questions, 'findings' or 'observations' in your Management & Occupancy Review Report. Due to inconsistencies and policy directives from HUD that are unclear or appear contradictory, and the resulting myriad interpretations that exist within the Affordable Housing Industry, the variability in citations/comments is beyond anyone's control. Prices subject to change without notice.
