**NOTE:** We perform our services using our extensive industry knowledge, contacts, and experience acquired over the more than 30 years we have served the Affordable Housing Industry. The services detailed in our contract do not in any way imply or guarantee that your Contract Administrator and/or HUD will not have questions, 'findings', or 'observations' in your Management & Occupancy Review Report. Due to inconsistencies and policy directives from HUD that are unclear or appear contradictory and the resulting myriad interpretations that exist within the Affordable Housing Industry, the variability in citations/comments is beyond anyone's control. Prices subject to change without notice.
