# Pet Policy Order Form

Does your property have a clear, written policy for pet ownership? Is it HUD compliant? Do your policies distinguish between pets and assistive animals? Did you know that the population your property is designated to serve dictates your rights as an owner to allow or not allow pets? Are you familiar with the mandatory requirements for elderly and/or disabled properties?

Why spend time and energy researching the rules and developing the appropriate policy when PMCS can do the work for you? During a pre-scheduled phone consultation, a PMCS consultant will walk you through our HUD compliant Pet Policy and customize it to fit your property's needs, your owner's rights, and HUD's requirements for your program/subsidy type.

Our services are performed by AHM/COS/TaCCS certified staff, which includes leading industry trainers, all of whom have thorough knowledge of the affordable housing industry and the various affordable housing programs.

**NOTE:** We perform our services using our extensive industry knowledge, contacts, and experience acquired over the more than 30 years we have served the Affordable Housing Industry. The services detailed in our contract do not in any way imply or guarantee that your Contract Administrator and/or HUD will not have questions, 'findings', or 'observations' in your Management & Occupancy Review Report. Due to inconsistencies and policy directives from HUD that are unclear or appear contradictory and the resulting myriad interpretations that exist within the Affordable Housing Industry, the variability in citations/comments is beyond anyone's control. Prices subject to change without notice.
