Clarification
HUDCLIPS Form HUD-9887 – 9887-A

There have been several requests to provide additional detail about the OMB expiration date and where it is found along with questions regarding the 02/2007 effective date.

The revised Form HUD-9887 – 9887-A that has been posted to HUDCLIPS has a new OMB expiration date of 6/30/2012. The expiration date can be found on the second page of the document. The revised form still shows the 02/2007 revision date, which is accurate; this is the effective date of the form, indicating that its content has not been changed since that date.

As a reminder, no OMB expiration date or OMB approval number is required on Form HUD-9887 – 9887-A.
