February 28, 2013

Welcome to the MULTIFAMILY HOUSING RENTAL HOUSING INTEGRITY IMPROVEMENT PROJECT (RHIIP) LISTSERV that brings you up-to-date RHIIP related publications, news, information and occupancy tips in an effort to help reduce errors in rent determinations and subsidy calculations.

Smoke-Free Housing Toolkits Posted to the Office of Healthy Homes and Lead Hazard Control's (OHHLHC) Website

The Department has posted smoke-free housing toolkits to OHHLHC's website at <http://portal.hud.gov/hudportal/HUD?src=/smokefreetoolkits1> and a cover letter introducing these toolkits has been attached to this message. These toolkits were developed by the Department of Housing and Urban Development and its partners, the Centers for Disease Control and Prevention, the American Lung Association, and the American Academy of Pediatrics and are designed to provide information on smoke-free housing policies and suggested steps to take when implementing a smoke-free housing plan.

You can view the RHIIP Tips Archives, under "Listserv-Multifamily RHIIP Tips" at <http://www.hud.gov/offices/hsg/mfh/rhiip/mfhrhiip.cfm>
