Housing Notice 2015-12 Amendment to the Definition of Tuition Posted to HUDCLIPS

On December 11th, Multifamily Housing published a joint Housing Notice with PIH to [HUDClips](#) regarding a revision to the definition for tuition as it relates to determining income for some of our programs. We have included a link on our [Multifamily Homepage](#) under "What's New."

The published notice expands upon FY 2012 appropriations language which requires, for Section 8 programs, the amount of any financial assistance an individual receives in excess of amounts received for tuition and other required fees and charges be considered when determining an applicant's or participant's annual income.

When reading HUD Handbook 4350.3, REV-1 paragraph 5-6.E, the exclusion for a student over the age of 23 with dependent children or a student living with his or her parents who are receiving Section 8 assistance remains applicable.
