An additional draft chapter of the “Multifamily Asset Management and Project Servicing” HUD Handbook 4350.1 has now been posted to the “Multifamily Policy Drafting Table” for a 30-day review period. As many of you know, the handbook serves as a resource for staff, industry partners, and owners and agents. Please [use this link](#) to access the following newly posted chapter:

- Chapter 2.03 Insurance and Loss Drafts

We encourage HUD staff and partners to review each chapter, complete the corresponding worksheet and submit feedback by November 3, 2017 to [MFHDraftingTable@hud.gov](mailto:MFHDraftingTable@hud.gov).

We will continue to release additional revised chapters as they become available. In the meantime, we look forward to your participation in the process through your submission of feedback.
