Extension: Multi-Factor Authentication (MFA) Compliance Deadline

Office of Housing sent this bulletin at 10/28/2026

To date, more than 100,000 HUD unique end users have successfully enrolled in Multi-Factor Authentication (MFA), strengthening the protection of HUD data and advancing ongoing security compliance efforts.

Based on feedback from individual end users. the Department is extending the MFA compliance deadline to **November 2, 2026**, to allow additional time for enrollment while supporting HUD's security and modernization objectives.

Thank you for your commitment to keeping your teams and customers compliant and protected.
